

Dear Hiring Professional,

I am writing to express my interest in the position at your esteemed organization. With a background in Electrical and Electronics Engineering and experience as Electrical Design Engineer at NRD (National Research and Development Institution) with the Pakistan Navy, I bring a solid foundation in electrical design and analysis.

In addition to my current role, I have worked in the Oil & Gas sector in the UAE, where I gained valuable experience with electrical and electronic systems in high-stakes environments.

Certifications & Software Expertise

- *ETAP Certification* (2021)
- *Software Proficiency:* ETAP, AutoCAD, Cadmatic

I am also a holder of a valid UAE and Pakistan driving license.

I am confident that my skills and experience make me a strong candidate, and I look forward to contributing effectively to your team. Please find my resume attached for further details on my background and qualifications.

Thank you for considering my application. I look forward to the possibility of discussing how I can contribute to your company.

Best regards,

Muhammad Raza Abbas
