- Alexandria, Egypt
- Manager of a wood works factory

Assisting in ART Exhibition
AAST University
📅 03/2020   📍 Location
- Assisting my students to do a photography exhibition in AAST university

SUMMARY

Architect and researcher exploring the intersection of AI, sound, and material innovation, using technology to challenge traditional design methods and expand creative possibilities.

KEY ACHIEVEMENTS

➕ **Project Completion Boost**
Increased project completion rate by 30% through enhanced design techniques and teamwork.

➕ **Eco-Friendly Design**
Reduced environmental impact by 25% using sustainable design principles.

➕ **Student Guidance Success**
Guided over 100 students in mastering advanced coloring techniques.

➕ **Team Management Excellence**
Managed a team of 10 workers.

EDUCATION

Master of science Synthetic Landscape

Southern California Institute of Architecture

📅 09/2024 - 09/2025　　📍 Location

- Master of science Synthetic Landscape

BACHELORS Architecture and Environmental Design

AAST University

📅 01/2019 - 12/2020　　📍 Location

Architecture workshop

California Polytechnic State University

📅 06/2018 - 07/2018　　📍 Location
